PURE EXTREME UNCOMPROMISING

AUTOMOBILILAMBORGHINIS.P.A

ABOUT LAMBORGHINI

The world-famous Lamborghini brand originated in the middle of the last century, founded by Ferruccio Lamborghini. In the 1960s, Ferruccio Lamborghini established Automobili Lamborghini S.P.A., and the Lamborghini brand expanded globally.

Lamborghini's Core Ethos

Pure, Extreme, Uncompromising

Lamborghini Brand Values

- Extreme requirements for process technology
- The sheer love of life
- An uncompromising commitment to perfection

LAMBORGHINI BRAND INNOVATION

To let more life-loving enthusiasts experience the speed and passion of Lamborghini together, Automobili Lamborghini S.P.A headquarters in Italy has developed a series of Lamborghini extension products for the global market. People can enjoy the emotional value brought by Lamborghini in multiple dimensions.

Lamborghini, together with Xiaomi Kart No.9 and the Lamborghini Global Design Centre in Italy, jointly launched the "Lamborghini Kart". "This allows more Lamborghini fans to no longer feel that Lamborghini is unattainable but to own a Lamborghini easily," experiencing the brand's spirit and staying energetic every day. In addition, Lamborghini has co-branded with renowned Chinese brands to release headphones, mountain bikes, camping tents, watches and other products.

Representing the perfect integration of technology and speed, Lamborghini and Xiaomi Mobile jointly unveiled the "Italian Lamborghini Global Design Centre". The Lamborghini-Xiaomi smartphone is young, fashionable, distinctive and unique, showcasing personality. It features Lamborghini's classic color schemes, letting users feel the distinctive dopamine-driven color impact, ensuring a good mood and full emotional value daily.

In December 2024, the Lamborghini Automotive Industry Cluster was officially established. With cutting-edge original design concepts from the Lamborghini Global Design Centre in Italy as its core, the cluster has partnered with China's top automotive manufacturers to jointly create world-class high-end automotive products that embody "pure, extreme and uncompromising".

8 KEY ATTRIBUTES OF THE PROJECT

- Uncompromising perfection
- The only international high-end luxury brand in the automotive industry
- Fusion of technology and luxury in a global luxury-class vehicle
- Craftsmanship and originality from the Lamborghini Global Design Centre
- Top-tier manufacturing with advanced processes and hardware
- Unique global identification code, enhancing status and collector's value
- No direct competitors, occupying a premium luxury space
- Exclusive brand premium and value

VEHICLE-MOUNTED INTELLIGENT SCREEN

Universal vehicle-mounted intelligent screen

LB20

- Wi-Fi (supports 2.4G/5G)
- Built-in Bluetooth
- LB DSP Control (32EQ)
- Support UHD reverse rearview
- A/V input
- Screen Resolution : 1280*800 HD
- Steering wheel control ready
- Supports internal/external microphone
- Screen size options: 9 inch
- Storage options: 2+32G and 2+64G
- 4.1 Channel / Subwoofer
- Wired / Wireless, AndroidAuto / CarPlay
- Android v13

LB30

- Wi-Fi (supports 2.4G/5G)
- Built-in Bluetooth
- LB DSP Control (32EQ)
- Support UHD reverse, DVR, 360 Degree Camera
- A/V input
- Screen Resolution : 1280*800 HD
- Steering wheel control ready
- Supports internal/external microphone
- Screen size options: 9 inch
- Storage options: 2+32G and 2+64G
- 4.1 Channel / Subwoofer
- Wired / Wireless, AndroidAuto / CarPlay
- Android v13

LB50

- 4G Network + Wi-Fi connection
- Built-in Bluetooth
- LB DSP Control (16 DSP)
- Support UHD reverse rearview
- A/V input
- Smartphone link
- Steering wheel control ready
- Supports internal/external microphone
- Screen size options: 9.00"
- Storage options: 4+64G
- 4.1 Channel / Subwoofer
- Wired / Wireless, AndroidAuto / CarPlay
- Android v13

LB70

- 4G Network + Wi-Fi connection
- Built-in Bluetooth
- LB DSP Control (16 DSP)
- Supports 360° panorama ,DVR camera
- Supports optical-out
- Smartphone link
- Steering wheel control ready
- Supports coaxial output
- Screen size options: 9 inch
- Storage options: 8+256G
- 5.1 Channel output / HDMI Support
- Wired / Wireless, AndroidAuto CarPlay
- Screen Resolution:1280*800 HD
- Android v13

DASH CAM & AI BOX

F3280S

- Supports voice broadcast
- Supports parking monitoring
- 3.2-inch IPS touchscreen
- Supports Wi-Fi connection
- Supports time-lapse video recording
- Front recording: 4K, Rear recording: 1080P
- Aluminum alloy shell

F009

- Supports voice broadcast
- Supports parking monitoring
- Equipped with ADAS driving assistance
- Supports Wi-Fi connection
- Supports time-lapse video recording
- Front recording: 4K, Rear recording: 2K
- Supports gravity induction

KPL062B-LB-C2
